About Us

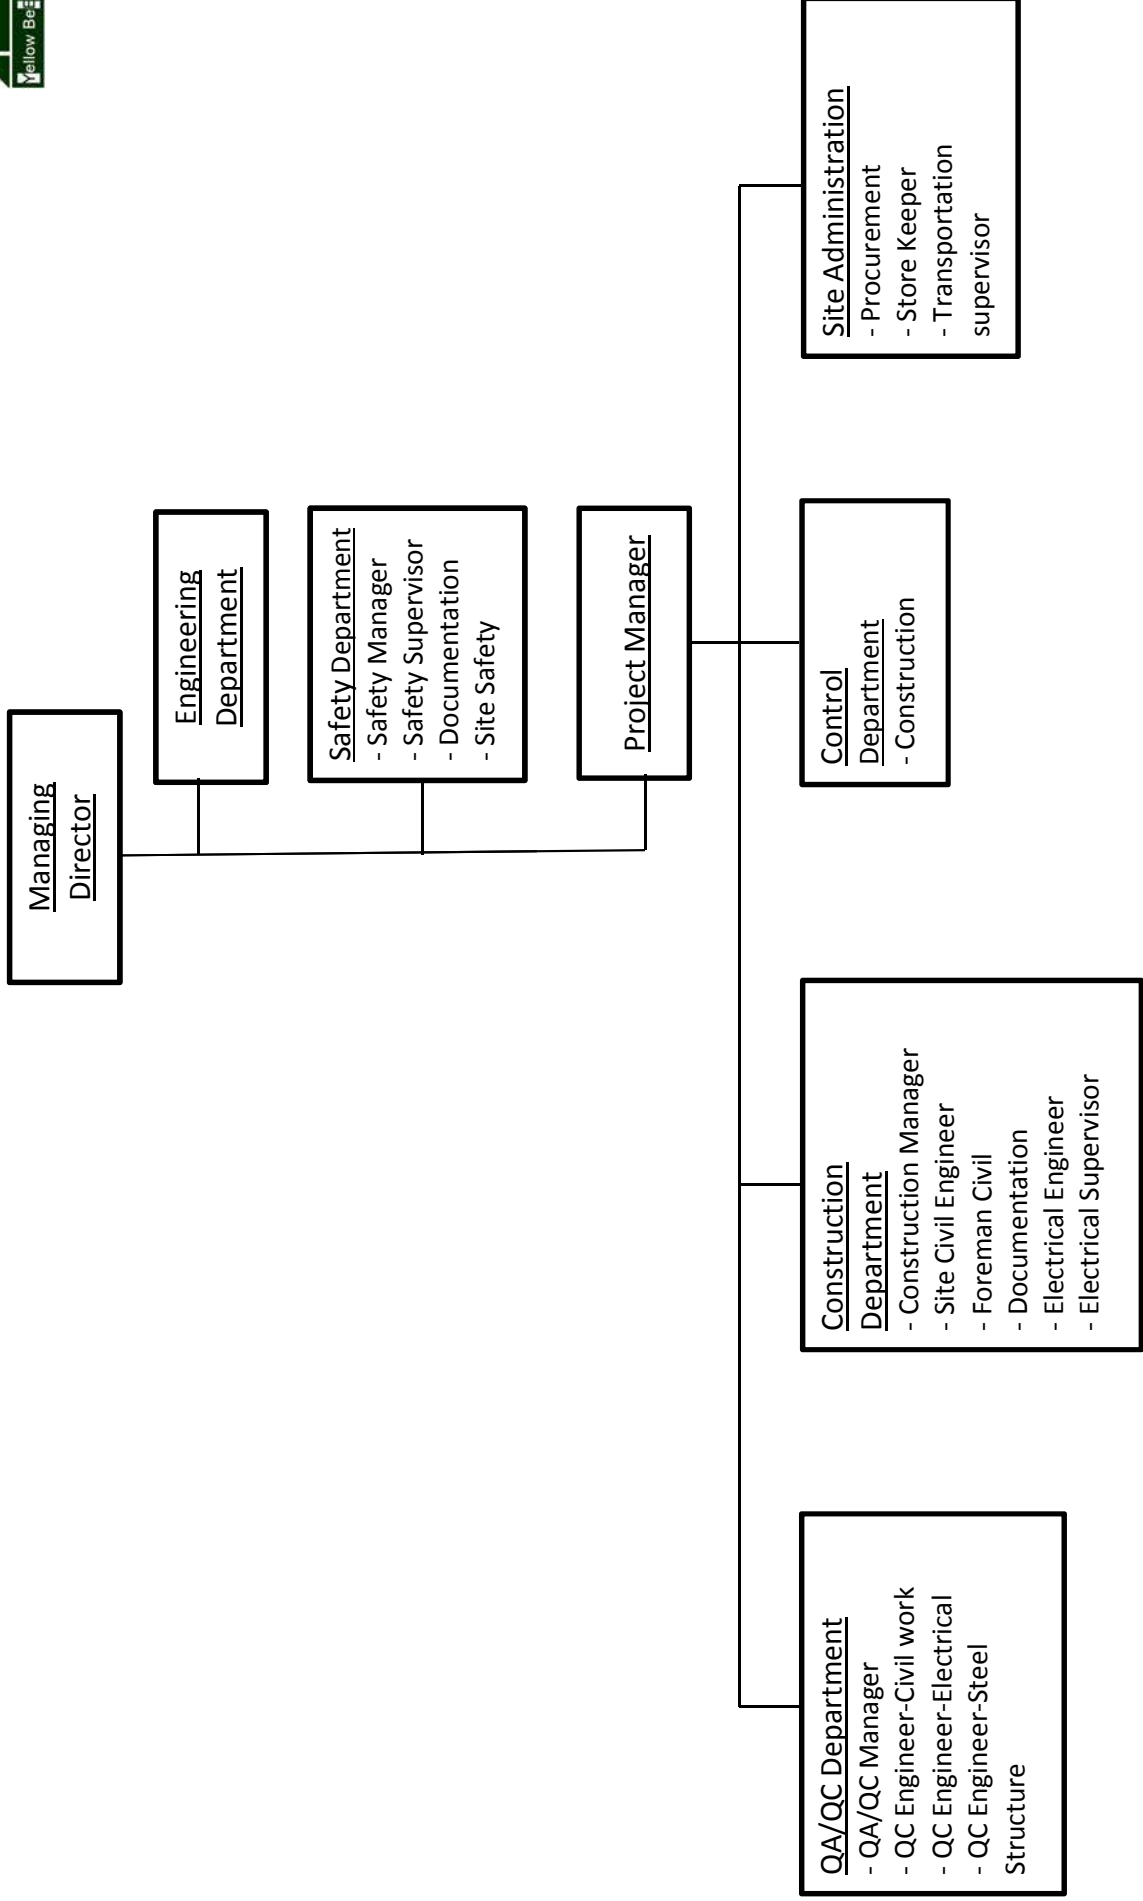

Our Mission... Yellow Bee Construction Company is provides value-added construction services to our customers by creating a successful partnership with them throughout the construction process. Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team.

Our Vision... Yellow Bee Construction Company will expand its efforts to grow profitably by meeting customer needs today and in the future by continuing to build partnerships based on trust, and by establishing direct relationships with our customers. We will accomplish this by responding to changing market conditions; building a performance driven culture that continues to provide value-added construction services to our customers; by improving job site productivity through effective job controls; maintaining a safe workplace and utilizing the latest technology; and by creating an environment that fosters growth and development of our people.
